EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

1. This Office Action is responsive to Applicant's Application filed on 08/28/2003.
2. Claims 1-11 are allowed.
3. The following is a statement of reasons for the indication of allowable subject matter:

The prior art of record does not disclose or render obvious a motivation to provide for a hydraulic pressure control device/method as defined by the limitations of claims 1, 10 and 11; including means for calculating a target speed change rate based on a predetermined speed change schedule; means for determining whether or not a specified condition holds after the vehicle started to move; wherein when the specified condition holds, a hydraulic pressure regulating unit is caused to supply a hydraulic pressure corresponding to the target speed change rate to the transmission; and when the specified condition does not hold, the hydraulic pressure regulating unit is caused to supply a hydraulic pressure corresponding to a target start-up speed change rate to the transmission; wherein the target start-up speed change rate is larger than the target speed change rate.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
